

IIMC FOUNDATION – EDUCATION AND SCHOLARSHIPS ***Free money, education, and fun!***

By Colleen J. Nicol, MMC, IIMC Foundation Board Member

The IIMC Foundation raises funds for scholarships and other IIMC programs. Year after year to date, every qualified applicant receives a \$400 scholarship to attend either Technical Training for Clerks or the Master Municipal Academy. Have you applied?

IIMC is currently accepting applications for:

- Institute and Academy scholarships (\$400 each)
- Jim Tinnin Online Learning scholarships (\$100 each)
- IIMC annual conference grants (free conference registration)

Some of the many ways to donate to the Foundation include:

- Donate along with your IIMC dues renewal
- Join a giving Society (Friend, Patron, New Century Club, Turtle, Schwarzkopf, and Shinner levels)
- Complete a donation pledge card
- Remember a loved one with a memorial gift
- Create or donate to a restricted endowment for scholarships (CCAC has two!)
- Participate in fundraisers
 - A trip for two for a full week in Hawaii (winner drawn at IIMC annual conference)
 - Conference registration (enter by January 15, 2020)
 - Santa Claws (purchase by November 7, 2019)

The stronger the Foundation, the more help for you and all municipal clerks!
